Thank you for your empathetic response, M [REDACTED]. I hate that I even have to consider that issue (I'd love to just be able to 100% focus on my client in these moments). But I have reached out to my attorney about it, and I'll find a way to deal with that on my own, and if I need to address it with opposing counsel, I will run it by you and Brad first and make sure it doesn't affect your case or your comfort on that day--I don't want you to worry about it! Unfortunately, this is something I have dealt with before, I just wanted to share that with you both to give you a heads up. I'll be there for you on November 3rd no matter what, and I look forward to prepping with you before then. We're in this together!

Thank you,
